THE DAILY DURD

Daily comics by:
@TitsandGuts

The Daily Durd was a daily comic that ran through most of May 2024 as an experiment. This idea is something I really enjoyed but failed to gain traction with, likely due to my username (Titsandguts). It's also just possible these jokes don't connect with people the way I hoped they would. This idea might come back at a later date, but for now I've compiled them all in one place for anyone to enjoy/share.

Ya, it's basically the same cell-phone gag over and over again but I just change the text. Ya, it's gonna be *HUGE* man.

420 69 Haha!
Anyway, the doctor said it doesn't look cancerous but I need to have another biopsy.

Hey, do you guys sell garbage disposals for showers?

Hey, do you guys sell muscle relaxers for animals over the counter? Man sized ponies specifically.

Thank you, I'll stop by today and pick it up. Believe it or not, the horse lube is actually the secret ingredient in giant bubble liquid.

Search: *Can you mix Famotidine, Cetirizine and Ibuprofen?*

Search: *what ever happened to MOID?*

Ok, you don't pay for sperm donations, but can I just give you what I've been saving up?

Search: *How many carbs are in ass?*

Nice blinker asshole! I almost spilled my beer!

Nice blinker asshole!
I almost spilled my
cum jar!

Mondays feel like that butt fingering scene in Baby Reindeer.

What is the return policy on half-used diet food?

Will drinking whiskey kill the gut worms?

The rhino pill kicking in during this shit traffic is a bad combo.

My boss is gonna have to choose: I'm gonna be late, or I'm gonna be covered in my own shit.

Hey man, screw my browser history, burn my house down if I die.

What the shit does "L + Ratio" mean?

Do they make porn for blind people? Like, with braille nipples?

I don't want to get in a wreck, but I'm not opposed to getting rammed by a city bus so I can get that sweet settlement money.

Like I said, I'm an unlicensed gynecologist. All the work is done under the table.

Lots of palm trees here in Cali, but where the hell do they keep all the coconuts?

IDC what people say, I'd eat the jeans right off Tilda Swinton's ass.

Sorry man, I hit that pen way too hard and lost like two entire days.

What the hell is a Joost?

At this point, I'm no longer going to show people my fyp. My algo might out me for the creep I really am.

I blocked her man, she was playing Turkish ice cream tricks with that ass.

The Doge dog died today. I'm not sure if that means I should buy or sell all my dogecoin.
